**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING PROTECTIVE ORDER**

Summary

I grant the motion of A+ Wireless, Inc. ("AWI") for a protective order covering confidential financial material filed under seal concurrently with its application for a certificate of public convenience and necessity.

Background

Pursuant to Section 583 of the Public Utilities Code¹ and General Order No. 66-C,² upon a showing of good cause therefore, the Commission may order confidential information submitted to it to be sealed and not open to public inspection. Exhibit E to AWI's application for a certificate of public convenience and necessity contains non-public bank account and credit line information about the Applicant. Applicant asserts that public disclosure of this private confidential information could subject it to the risk of fraud or other significant financial harm and place it at a competitive disadvantage relative to other service providers.

Discussion

I grant AWI's motion. Pursuant to the terms of General Order 66-C, a protective order is appropriate when an applicant would be placed at an unfair business disadvantage as a result of public disclosure of financial data required by the Commission in connection with an application.

¹ Section 583 reads in relevant part: No information furnished to the commission by a public utility, or any business which is a subsidiary or affiliate of a public utility, or a corporation which holds a controlling interest in a public utility, except those matters specifically required to be open to public inspection by this part, shall be open to public inspection or made public except on order of the commission, or by the commission or a commissioner in the course of a hearing or proceeding.

² General Order 66-C reads in relevant part:

2. EXCLUSIONS

Public records not open to public inspection include (2.2) Records or information of a confidential nature furnished to, or obtained by the Commission. Such records or information shall include, but not be limited to:

- b) Reports, records, and information requested or required by the Commission which, if revealed, would place the regulated company at an unfair business disadvantage.

IT IS RULED that AWI's motion for a protective order is granted to the extent set forth below:

1. Exhibit E to AWI's application, which has been filed under seal as an attachment to the motion for protective order, shall remain under seal for a period of two years from the date of this ruling. During that period, the foregoing document shall not be made accessible or be disclosed to anyone other than Commission staff except on the further order or ruling of the Commission, the Assigned Commissioner, the assigned Administrative Law Judge (ALJ), or the ALJ then designated as Law and Motion Judge.

2. If AWI believes that further protection of this information is needed after two years, it may file a motion stating the justification for further withholding the material from public inspection, or for such other relief as the Commission rules may then provide. This motion shall be filed no later than 30 days before the expiration of this protective order.
